MILITARY MANPOWER STATISTICS (MMS) is a monthly publication prepared by the Washington Headquarters Services, Directorate for Information Operations and Reports (WHS/DIOR) of the Office of the Secretary of Defense.

The MMS report presents audited statistical data pertaining to military personnel on active duty and personnel in military reserve components, for the current fiscal year on a monthly basis. The March, June, September, and December issues contain quarterly summaries of certain military manpower data as annotated in the Table of Contents. Although these tables are revised quarterly, they are published without changes in two subsequent monthly editions of this publication. The publication is generated from a computerized database developed and maintained by the Manpower Management Information Division of WHS/DIOR.

The report is approved for public release at cost: distribution unlimited. Requests for additional copies and changes in distribution should be addressed to the Director, Washington Headquarters Services, Room 3E843, The Pentagon, Washington, D.C. 20301.
